Digital Learning – Course Catalog and Registration
Questions for Consideration

- *Intra-District Funding*
    - *What happens when the student withdrawals early?*

    - *How do we address state funding differences between districts?*

    - *Can schools barter for student registrations?*

    - *Why not just cut a check?*

- *Questions related to Teachers…*
    - *Should we publish Teacher Information with the Registration Information?*

    - *Will this project threaten Teachers?*

- *Why do courses need to be synchronous?*

- *How do we get Board approval for course curriculum?*

- *Should the solution include an LMS?*

- *Are these competing efforts?*
    - *Ohio Professional Learning Directory (https://ohiopld.org/)*

    - *Professional Learning Collaborative of Ohio (https://www.plcohio.org/)*

- *If Grades 7 and 8 can access Grades 9-12 courses, should the solution include K-8 courses?*

- *Should the solution provide access to College Credit Plus (CCP) courses?*

- *What district systems will need to interface with this solution?*
    - *Student Information System (SIS)*
        - *Infinite Campus, ProgressBook, PowerSchool SIS*
    - *EMIS*
    - *LMS*
    - *Others?*

- *Why have previous projects not resulted in statewide adoption?*
