EMIS Changes - The final FY25 EMIS changes will be posted by Wednesday, May 15th to meet the statutory deadline.

FY24 Reading Diagnostics Collection - A Level 2 Reading Diagnostic report will hopefully be released later this week. Districts are encouraged to review this report, which can also be used as a Missing List.

Credential IDs - ODEW will publish a story in the Ed Connect Newsletter today on behalf of the State Board of Education. Starting in July 2024, all school employees (including non-licensed staff) must be enrolled in the Rapback System and obtain an Educator State ID. At this point, ODEW believes districts will be required to report these staff. Currently, these staff have ZIDs, but will need to have the Educator State ID starting with the 24-25 school year.

Roadmap for EMIS and ODDEX - Ideas shared to-date for the 3 to 5 year roadmap for both EMIS and ODDEX were reviewed, and additional input is welcome.
