

ODE ITC Call – 7/10/2023

Notes provided by Naja Bailey (META) and Gretchen Martin (ACCESS)

**FY23 Collections closing soon** – ODE has emailed ITCs reminders for entities that still need to submit.

- FY23S Student Cross Reference (SCR) closing this Friday 7/14/2023
- FY23S Student Enrollment\* (TRAD and SOES) closing Wednesday 7/19/2023
- A few FY23A Assessments\* (DPR, EOC, Spring 3-8) also closing Wednesday 7/19/2023

Data Appeals for these\* collections will open Thursday 7/20/2023 – please see ODE’s website for details (Data > EMIS > EMIS Reporting Responsibilities > EMIS Data Appeals).

**FY24 Collections are starting to open** – entities can submit as soon as they are able.

- FY24C Initial Calendar opened 7/3/2023
- FY24S Student Cross Reference (SCR) opened 7/3/2023
- FY24S Retention/Promotion for Grade 3 will open this Thursday 7/13/2023. As always, this is a very brief collection window. Even though this is an FY24 collection, *this data will be used for this year’s Local Report Card.*

**FY24-25 State Budget** – The budget has been passed and signed into law. There aren’t a lot of big EMIS changes, just a few things that will impact EMIS for FY24. ODE will get on those right way to get them posted. Not all the changes are entered on the EMIS Change page yet, but on this Wednesday’s change call, ODE will go through the budget items they are aware of that could cause EMIS Changes.

#### **Q&A**

**Q:** At one point, it was suggested that Retention reporting might change due to pending legislation. Is that still the case?

**A:** We’re not sure. We have a meeting this afternoon with Literacy and TGRG. If there is a change we need to make, or updated guidance we need to provide, we hope to have that out by Wednesday or Thursday this week. There are definitely TGRG changes but, because the bill has a 90-day effective date, we aren’t sure exactly how those changes play out for this school year and FY24 Retention/Promotion reporting (since this reporting will take place before the 90-day waiting period, unless there is an emergency clause on that change). We’ll get with the program staff to figure it out.

#### **Upcoming Call Schedule**

Wednesday, July 12 – ODE EMIS Change Call

Monday, July 24 – ODE ITC Call
